## **RESEARCH EXPERIENCE:**

### ***Southern Illinois University, Carbondale:***

2011 – 2013 **Principal Investigator, Dissertation**

Internalized Stereotypes, Perceptions, and Beliefs Among African American College Students.

Dissertation Chair: Stephen Dollinger, PhD, Associate Professor

Conducted original quantitative research of African American college students throughout the United States that explored their perceptions and beliefs of themselves and the ways they believed they were perceived by others.

2006 – 2007 **Graduate Research Assistant, Biopsychosocial Lab**

Faculty Supervisor: Rheeda Walker, PhD, Licensed Psychologist (GA)

This research lab examined suicidality among African American adult and adolescent populations. Primary research areas included: resiliency and spirituality among African Americans residing in rural communities, impact of peer support in suicide prevention, and examining genetic factors in suicidality among African American college students.
